Re: Application to amend existing jitney route
City View, Inc. d/b/a City View Trolley Tours

Dear Mr. Thomas:

On August 16, 2010 the Board of License Commissioners voted 3-0 to recommend approval to the City Manager for the City Council regarding your application for a permanent route change.

If approved by the City Council your amended route would replace the current stop on Mt. Auburn Street with a stop on Brattle Street. The Commissioners noted that this stop is supported by the Harvard Square Business Association, as it brings more foot traffic in to the square.

Your application will be forwarded to the City Manager and will be placed on the City Council's September 13, 2010 agenda. You must sign up at the hearing if you wish to speak on this application during the meeting.

Sincerely,

Cityview, Inc. d/b/a Cityview Trolley Tours
35 Eldon Street, Boston, MA

Dear Mr. Thomas:

On April 27, 2010 the Board of License Commissioners voted 3-0 to accept your new route on a temporary basis. The Commissioners noted that stopping on Brattle Street should encourage business in Harvard Square.

A review hearing will be held on the second hearing date in July. You will be notified by mail of the hearing when it is scheduled.

Sincerely,
